

IV Choose the most appropriate answers from the list (a ~ k) for the gaps (32~38) in the following conversation. Mark your answers on the separate answer sheet.

Hiromi, an exchange student, is talking to a counselor about what classes to choose.

Counselor: Hello, Hiromi. (32) take a seat and tell me about what you would like to study?

Hiromi: Well, I'm not really sure what to take this semester, but I need to take care of some of the basic requirements.

Counselor: Your records show that you have taken care of your language requirement. (33) the sciences?

Hiromi: (34) I have been trying to avoid them.

Counselor: (35) perhaps try Prof. Redenbacher's Natural Science 101. It's very popular.

Hiromi: That sounds good. I've heard good things about it.

Counselor: (36) you take something in the social sciences, too.

Hiromi: (37) I took sociology then?

Counselor: (38) work.

Hiromi: Great. Otherwise there is no problem with my major. Thanks for the advice!
